Technology Worth A Second Look

QUARTER HORSE

Electro-Sport's Quarter horse game is not just the best Quarterhorse game on the market today, it is THE ONLY Quarter Horse game on the market today. The ONLY game that uses actual film footage of Real Quarter Horse Racing recorded live on a Laser VideoDisc. The ONLY game with the voice of a real track announcer. Quarter Horse includes two large color monitors, one for racing action, the other showing all ten post positions and odds. All this packaged in a sturdy solid wood cabinet with choice of chrome or gold plated player panel. Playing Electro-Sport's Quarter Horse game is like "Spending a Day at the Races".

DRAW POKER III

Draw Poker is a classic game of skill and challenge. Poker is one of the few games people never tire of. Now Electro-Sport's new Setup Mode makes it more exciting, by adding options no other Poker Machine can match. You, the owner of a new Electro-Sport Draw Poker III machine have complete control of over 21 different options, like Jokers, Jacks or Aces, Double Up, Music, the choice of card graphics, Maximum Play, plus Bonus Hands, all this and much much more. A Poker machine without a Setup Mode... is like Cool Hand Luke without a deck of cards!

DWARFS DEN

People are drawn to this cute family game by the high resolution, colorful, card carrying Dwarfs. This game blends entertainment, excitement, and skill by asking the players to match the hat color and card numbers of the little Dwarfs. The game acknowledges the winners by flashing such comical family terms as "Thin Twins, Triplets, Blues Brothers, and Red Generation" while increasing their skill points and allowing them to play again. This game includes such amenities as Wild Dwarf, Double Up, and Bonus Dwarf. Add all this, include a Setup Mode, and what do you have? The Prince of Video Entertainment.

KENO

Keno is fast becoming one of the most popular amusement games available today. More operators are realizing the profits and switching to Keno than ever before. Now Electro-Sport makes Keno more exciting with the addition of a Mystery Winner and the all new Keno Setup Mode. The Mystery Winner and the new Keno Setup Mode are available only from Electro-Sport. Discover Electro-Sport, makers of high quality, precision engineered, video entertainment.
